

Curriculum Vitae - Daniel J. Kruger, PhD

Research Assistant Professor, University of Michigan
1420 Washington Heights, Ann Arbor, MI 48109-2029
www-personal.umich.edu/~kruger
kruger@umich.edu

Education

NIMH Post-Doctoral Research Fellow, University of Michigan Psychosocial Epidemiology Training Program
Institute for Social Research, University of Michigan. (2001-2003).

Advisor: Randolph M. Nesse, MD

Doctor of Philosophy, Applied Social Psychology

Loyola University Chicago, January, 2001.

Dissertation: *An integration of proximate and ultimate influences for altruistic helping intentions.*

Director: Fred B. Bryant, PhD

Master of Arts. Applied Social Psychology

Loyola University Chicago, January, 1999.

Thesis: *The social cognition of gender specificity in kin selection.*

Director: R. Scott Tindale, PhD

Bachelor of Science with Integral Honors, Psychology.

Bachelor of Science with Integral Honors, Biology.

Le Moyne College, Syracuse, NY, May, 1995.

Integral Honors Thesis: *Fluoxetine: Background and issues concerning a controversial designer drug.*

Director: Vincent Hevern, SJ, PhD

Watertown High School, Watertown, NY. New York State Regents Diploma. June, 1991.

Honors and Awards

2014 National Institute of Dental and Craniofacial Research Building Bridges Travel Award

2013 Poster Award, International Society for Human Ethology's Summer Institute

2013 First place poster, Michigan Institute for Clinical and Health Research Community Engagement Symposium

2010 Center for Disease Control and Prevention's REACH US Coalition of the Year (Genesee County)

2010 UROP Spring Research Symposium Outstanding Poster Award

2009 University of Michigan Research Faculty Recognition Award (1 of 2 university-wide)

2009 Faculty-Community Partnership Research Award, Partners for Healthy Communities Symposium,
Michigan Institute for Clinical and Health Research

2008 UROP Spring Research Symposium Award of Excellence

2005 Consequential Epidemiology Award for Top Oral Presentation, 19th National Conference on Chronic
Disease Prevention and Control (Annual CDC Conference)

2004 Exemplary Team Award Finalist, University of Michigan Human Resources.

2001 Vote of Distinction awarded by dissertation committee.

1999-2000 McCormick Tribune Foundation Fellowship at Loyola's Center for Urban Research and Learning.

1999 The Frank J. Kobler Award for outstanding scholarship and service in psychology.

1999 APA Science Directorate Student Travel Award.

1999-2000 Graduate Student Award for Excellence in Teaching (one of three finalists).

1999 Student Scholarship, SCRA 7th Biennial Conference on Community Research and Action.

1998-2000 Five departmental travel awards for first author presentations at national conferences.

1995 Integral Honors Program, Le Moyne College, graduated with highest honors.

1995 Psi Chi, national honor society in Psychology.

1995 Beta Beta Beta, national honor society in Biology.

1992-1995 Dean's List, Le Moyne College.

1991 New York State Regents Scholar, Watertown High School.
 1987 The Marie Elitharpe Memorial Award for achievement in science.

Professional Affiliations

Association for Psychological Science

Funding

| | | |
|--|--|---------------------------------|
| Buenos Vecinos Survey - HUD Component Prime funder: Housing and Urban Development | Kruger (PI) | 12/15/12-6/30/14 \$37,987.00 |
| UL1RR024986 Michigan Institute for Clinical and Health Research (MICHHR) Buenos Vecinos Survey: This project will provide robust baseline measurements of health status and social determinants of health among Latino/a county residents of Washtenaw County and increase the capacity for engaging in health promoting research and intervention with community members. | Kruger (PI) | 07/01/12-05/31/13 \$25,000 |
| 1U48DP001901-01 Zimmerman (PI) Prevention Research Center of Michigan Centers for Disease Control and Prevention Role: Support for research design, data management and analyses | | 09/01/10-08/31/14 |
| 1R01HD062565-01A1 Zimmerman (PI) Youth Empowerment Solutions for Positive Youth Development National Institutes of Health Role: Support for research design, data management and analyses | | 09/01/10 - 08/31/15 |
| 1U01CE001957-01 Zimmerman (PI) Michigan Youth Violence Prevention Center Centers for Disease Control and Prevention Role: Support for research design, data management and analyses | | 09/01/10-08/31/15 |
| 1U58 DP 000940-1 Centers for Disease Control and Prevention Racial and Ethnic Approaches to Community Health across the United States (REACH US) Evaluation contract with University of Michigan Role: Lead evaluator for the REACH US program's Genesee County Center of Excellence in Eliminating Disparities, infant mortality reduction program. | Genesee County Health Department (PI) Kruger (PI) | 09/30/07-09/30/12 \$425,000 |
| UL1RR024986 Michigan Institute for Clinical and Health Research (MICHHR) Genesee County Healthy Sexuality Project: This project will facilitated the development of a comprehensive intervention program for Sexually Transmitted Infectious diseases (STIs) among African American adolescents and young adults in Flint, Michigan. | Kruger (PI) | 08/01/08-07/31/09 \$25,000 |
| Saginaw County Local Public Health System Assessment Saginaw County Department of Public Health | Kruger (PI) | 10/01/08-09/31/09 \$15,000 |

This project assessed the performance of the local public health system on the components of ten essential public health services and generated information to guide the coordination of agencies in fulfilling these functions.

Community Wide Survey, Jackson County, MI
Foundation for a Healthy Community
Kruger (PI) 01/01/07-06/30/08
\$120,019
This project included the development, implementation, and results dissemination for a county wide survey to assess the health and well-being of Jackson County, MI residents.

5U48DP000055-04
Centers for Disease Control and Prevention
Genesee County REACH 2010 Enhanced Evaluation
Kruger (PI) 09/30/07 - 09/29/09
\$199,872
This project identified factors that contributed to the reduction in African American infant mortality in Genesee County between 2000 and 2006.

Racial and Ethnic Approaches to Community Health 2010 Evaluation
Genesee County Health Department
Kruger (PI) 10/01/06 - 09/30/07
\$124,857
Role: Research evaluator

MDCH Health Disparity Reduction Program
Michigan Department of Community Health
Kruger (PI) 05/01/05-07/31/06
\$61,451
Health Disparity Reduction Program Cross-Site Evaluation: This project documented the effects of Health Disparity Reduction intervention programs to reduce racial disparities in chronic diseases and infant mortality.
Role: PI, Lead evaluator

U48/CCU515775
Centers for Disease Control and Prevention
Zimmerman (PI) 09/30/03 - 09/29/09
Community Collaboration in Public Health Research
The goal is to continue to conduct community-based participatory prevention research aimed at improving the health status and reducing morbidity and mortality among population experiencing a disproportionate share of poor health outcomes as compared with the Michigan and U.S. populations as a whole.
Role: PI for Speak to Your Health! Community Survey

R06/CCR521580-01
Centers for Disease Control and Prevention
Howard, Caldwell (PIs) 09/30/02-09/29/05
Flint Fathers and Sons Evaluation Project
This project evaluates the effectiveness of an innovative, theoretically based intervention designed to prevent or reduce substance use, violent behavior, and early sexual initiation among African American preadolescents and their fathers.

Research Fellowships and Programs

Fellow, Summer Institute on Bounded Rationality in Psychology and Economics. Max Planck Institute for Human Development, Berlin, Germany (8/03).

Institute for Social Research at the University of Michigan's Summer Institute in Survey Research Techniques (7/02, 6/03).

Graduate Fellow, Loyola University Center for Urban Research and Learning. Collaborative research projects with community based organizations including survey research, program evaluation, participatory evaluation, sustainable community indicators, structured interviews, focus groups, GIS (6/98 – 7/99).

Teaching Experience

Health Behavior & Health Education, School of Public Health, University of Michigan

- Needs assessment methods for behavioral and educational health programs.
- Geographical Information Systems in Public Health.

The Life Course: Evolutionary and Ontogenetic Dynamics. A collaborative graduate study program between the Max Planck Institute for Human Development, Berlin, the Humboldt-University in Berlin, the Free University of Berlin, the University of Virginia, and the University of Michigan. Faculty Affiliate, lecture and mentor graduate students in collaborative research projects (2003-present).

University of Michigan's Undergraduate Research Opportunities Program. Faculty Sponsor, training and mentoring teams of undergraduates in social science research. Lecturing for UROP classes on topics relevant to social science research (2002- present).

Department of Psychology, Loyola University Chicago - Lecturer (8/98-5/00).

- Advanced Statistics with Computers for the Social Sciences (4x).
- Social Psychology (2x).
- Research Methods (1x).
- Teaching Assistant for ten psychology courses, with guest lecturing: Introductory Psychology, Learning and Behavior, Research Methods, Community Psychology, Psychology of Perception, Abnormal Psychology, Introductory Statistics (8/96-5/00).

Senior Counselor, Cornell University Cooperative Extension/4-H Camp Wabasso. Lectured on earth and space sciences for elementary, middle, and high school aged campers. (6/94-8/94, 6/95- 8/95).

Invited Talks

1. Kruger, D.J. (2014, June). *Geographical Information Systems in Public Health*. Invited talk for the Future Public Health Leaders Program, University of Michigan, Ann Arbor, MI.
2. Gallup, G., Kruger, D.J., & Reiber, C. (2014, April). *Evolution and modern human health*. Invited Symposium, North Eastern Evolutionary Psychology Society, New Paltz, NY.
3. Kruger, D.J. (2014, April). *Why are men the frail sex?: Understanding sex differences in mortality rates with an evolutionary life history framework*. Invited talk for the Department of Psychology, University of Western Ontario, London, ON.
4. Kruger, D.J. (2014, March). *Which is the frail sex?: Understanding sex differences in mortality rates with an evolutionary life history framework*. Invited talk for the annual Harriet M. Wall Lecture, Department of Psychology, University of Michigan-Flint, Flint, MI.
5. Kruger, D.J. (2014, March). *Who is the frail sex?: Understanding sex differences in mortality rates with an evolutionary life history framework*. Invited talk for the Population Intervention for Chronic Disease Prevention Training Program, Propel Centre for Population Health Impact, Dalhousie University, Halifax, NS.
6. Kruger, D.J., & Sloan, J.L. (2013, November). *Research and intervention to understand and improve community health*. Invited talk for the Department of Psychology, University of Detroit Mercy, Detroit, MI.
7. Kruger, D.J. (2013, October). *The community health impact of male scarcity*. Invited talk for the Center for Human Growth and Development and the School of Social Work, University of Michigan, Ann Arbor, MI.
8. Kruger, D.J. (2013, May). *Geographic health patterns*. Invited talk for the Genesee County Health Department's Public Health Week Annual Conference.
9. Kruger, D.J. (2013, April). *Male scarcity impacts social and health patterns in modern human populations*. Invited talk for the Biomedical Anthropology Lecture series, Binghamton University, Binghamton, NY.

10. Kruger, D.J. (2013, April). *The fragile sex: Understanding excess male mortality with an evolutionary life history framework*. Invited talk for the Department of Psychology, McMaster University, Hamilton, ON.
11. Kruger, D.J. (2012, October). *Sex and mortality: Why women live longer than men*. Invited talk for the Department of Psychology, University of Detroit Mercy, Detroit, MI.
12. Kruger, D.J. (2012, October). *Men at risk: Understanding sex differences in risk propensity with an evolutionary life history framework*. Invited talk for the Decision Consortium's Theme Semester on Sex and Gender, Department of Psychology, University of Michigan, Ann Arbor, MI.
13. Kruger, D.J. (2012, September). *The impact of male scarcity on health and social patterns in modern human populations*. Invited talk for the Department of Psychology, Michigan State University, East Lansing, MI.
14. Kruger, D.J. (2012, August). *Life history theory as an organizing framework for understanding variation in birth outcomes*. Invited talk, National Conference on Health Statistics, Washington, DC.
15. Kruger, D.J. (2012, March). *The fragile sex: Understanding excess male mortality with an evolutionary framework*. Department of Psychology, Albright College, Reading, PA.
16. Kruger, D.J. (2012, March). *Effectively democratizing data: Facilitating public health practice with a community-based health survey*. Invited talk for the Great Lakes Chapter of the Society for Public Health Education Spring Conference, Bay City, MI.
17. Kruger, D.J. (2012, March). *Men at risk: Understanding sex differences in mortality rates with an evolutionary life history framework*. Evolutionary Studies Program, State University of New York at New Paltz, New Paltz, NY.
18. Kruger, D.J. (2012, February). *Interdisciplinary Research*. Invited talk for the University of Michigan's Undergraduate Research Opportunities Program.
19. Kruger, D.J. (2011, November). *Men at risk: Understanding sex differences in mortality rates with an evolutionary life history framework*. Department of Psychology, Hamilton College, Clinton, NY.
20. Kruger, D.J. (2011, September). *The Prevention Research Center of Michigan's Speak to Your Health Community Survey*. Invited talk for the Department of Psychology, University of Detroit Mercy, Detroit, MI.
21. Kruger, D.J. (2011, April). *The economic crisis and the health of Genesee County: Results from the 2009 Speak to Your Health! Community Survey*. Invited talk for the Genesee County Health Department's Public Health Week Annual Conference.
22. Kruger, D.J. (2011, March). *Men at risk: Understanding sex differences in mortality rates with an evolutionary life history framework*. Invited talk for the Department of Psychology, Colgate University, Hamilton, NY.
23. Kruger, D.J. (2010, October). *Social factors influencing excess male mortality as understood in a life history framework*. Invited talk for the Social Area, Department of Psychology, University of Michigan.
24. Kruger, D.J. (2010, October). *Academic Survey and Applied Research Methods*. Invited talk for the University of Michigan's Undergraduate Research Opportunities Program.
25. Kruger, D.J. (2010, July). *Understanding sex differences and variation in human mortality rates with an*

- integrative evolutionary life history framework*. Invited talk for the Department of Psychology, Florida Atlantic University, Davie, FL.
26. Kruger, D.J. (2010, March). *The Prevention Research Center of Michigan's Speak to Your Health! Community Survey*. College of Health and Human Development, Pennsylvania State University, State College, PA.
 27. Kruger, D.J. (2010, January). *Evolutionary Psychology and Consumer Behavior*. Invited talk for the University of Michigan's Michigan Research Community Research Seminar.
 28. Kruger, D.J. (2009, November). *Sex and death: Understanding sex differences in mortality patterns with an integrative life history framework*. Invited talk for the Department of Psychology, University of Pennsylvania, Philadelphia, PA.
 29. Kruger, D.J. (2010, October). *Dads and Cads: Evolutionary theory and male reproductive strategies*. Invited talk for the University of Michigan's Undergraduate Research Opportunities Program.
 30. Kruger, D.J. (2009, October). *Understanding sex differences in human mortality rates with an integrative evolutionary life history framework*. Invited talk for the Department of Psychology, Northwestern University, Evanston, IL.
 31. Kruger, D.J. (2009, October). *Evolution and the life course: Functional variation in life history traits in response to the developmental environment*. Invited talk for the LIFE Fall Academy, A collaborative graduate study program between the Max Planck Institute for Human Development, Berlin, the Humboldt-University in Berlin, the Free University of Berlin, the University of Virginia, the University of Zurich, and the University of Michigan, Ann Arbor, USA. Life Academy held at the University of Michigan.
 32. Kruger, D.J. (2009, July). *Understanding statistics with Tinbergen's four questions*. Invited workshop, International Society for Human Ethology Summer Institute, Orono, ME.
 33. Kruger, D.J. (2008, November). *Human life history, male competition, and sex differences in mortality rates*. Invited talk for the Department of Anthropology, Northwestern University, Evanston, IL.
 34. Kruger, D.J. (2008, September). *Understanding sex differences in mortality rates with a life history framework*. Invited talk for the Department of Anthropology, University of New Mexico, Albuquerque, NM.
 35. Kruger, D.J. (2008, September). *Men at Risk: Evolutionary theory and sex differences in mortality rates*. Invited talk for the Department of Psychology, University of Arizona, Tucson, AZ.
 36. Kruger, D.J. (2008, September). *Dads and Cads: Understanding male mating strategies with an evolutionary framework*. Invited talk for the Department of Psychology at the University of Arizona, Tucson, AZ.
 37. Kruger, D.J. (2008, September). *Dads and Cads: Evolutionary theory and male reproductive strategies*. Invited talk for the Department of Psychology at Michigan State University, East Lansing, MI.
 38. Kruger, D.J., & Turner, T. (2008, June). *Racial and ethnic approaches to community health*. Invited talk for the inaugural Academy for Health Equity. Denver, CO.
 39. Kruger, D.J. (2008, May). *Finding answers through evaluation and research*. Invited talk at the Michigan Department of Community Health's Infant Mortality Summit. Lansing, MI.

40. Kruger, D.J. (2008, April). *Evolutionary Psychology and Consumer Behavior*. Invited discussant for Gad Saad's talk on *The Evolutionary Bases of Consumption*. University of Michigan Decision Consortium Seminar, Ann Arbor, MI.
41. Flowers, M., Griffith, D.M., Kruger, D.J., Young, L.J. (2008, April). *Racial disparities in infant mortality*. Invited discussion for the 2008 Genesee County Public Health Conference, Flint, MI.
42. Kruger, D.J. (2008, January). *The role of psychological factors in socio-economic disparities in health*. Invited talk for the Socioeconomic Disparities in Health forum, Department of Kinesiology, University of Michigan.
43. Kruger, D.J. (2007, October). *Assessing the impact of the REACH 2010 program on community attitudes and perinatal health outcomes*. Invited talk for the PRIDE Medical Services Committee/FIMR Review. Mott Children's Health Center, Flint, MI.
44. Kruger, D.J. (2007, October). *Integrating Life History Theory and Evolutionary Psychology*. Invited talk for the LIFE Fall Academy, A collaborative graduate study program between the Max Planck Institute for Human Development, Berlin, the Humboldt-University in Berlin, the Free University of Berlin, the University of Virginia, and the University of Michigan, Ann Arbor, USA. Life Academy held at the University of Michigan.
45. Kruger, D.J. (2007, September). *Academic Survey and Applied Research Methods*. Invited talk for the University of Michigan's Undergraduate Research Opportunities Program.
46. Burch, R., Deaner, R.O., Fisher, M., & Kruger, D.J. (2007, April). *Functional adaptations for scaling the Ivory Tower: How an evolutionist can successfully enter academia*. Invited symposium for the North Eastern Evolutionary Psychology Society, New Paltz, NY.
47. Kruger, D.J. (2007, March). *Sexual selection, male competition, and sex differences in human mortality rates*. Invited talk, Behavior, Evolution, and Culture Speaker Series, Department of Anthropology, University of California Los Angeles.
48. Kruger, D.J. (2007, March). *Distinguishing dads from cads: Multi-channel recognition of alternative male mating strategies*. Invited talk, Department of Psychology, California State University Fullerton.
49. Kruger, D.J. (2007, March). *Why didn't natural selection make the body (and mind) better?* Invited talk, Department of Psychology, California State University Fullerton.
50. Kruger, D.J. (2007, March). *Using community based research to facilitate action oriented health education*. Invited talk for the Foundation for the International Medical Relief of Children. Ann Arbor, MI.
51. Kruger, D.J. (2007, January). *What did the Romantics know about romance? A Darwinian perspective on male mating strategies in British Romantic novels*. Invited talk for the Department of Psychology at Grand Valley State University, Allendale, MI.
52. Kruger, D.J. (2006, October). *Academic and Applied Survey Research*. Invited talk for the University of Michigan's Undergraduate Research Opportunities Program.
53. Kruger, D.J., & Nesse, R.M. (2005, November). *Socio-economic conditions and sex differences in mortality rates within and across nations*. Invited talk for the University of Michigan's Evolution and Human Adaptation Program- Evolutionary Brown Bag.
54. Kruger, D.J. (2005, October). *Pirates and promiscuity: How women respond to alternative male mating strategies*. Invited talk for the Department of Psychology at Kenyon College, Gambier, OH.

55. Kruger, D.J. (2005, October). *Putting Science to Work at the Prevention Research Center of Michigan*. Invited talk for the Department of Psychology at Kenyon College, Gambier, OH.
56. Kruger, D.J. (2005, October). *Life History Theory and the Social Sciences*. Invited talk for the LIFE Fall Academy, A collaborative graduate study program between the Max Planck Institute for Human Development, Berlin, the Humboldt-University in Berlin, the Free University of Berlin, the University of Virginia, and the University of Michigan, Ann Arbor, USA. Life Academy held at the University of Michigan.
57. Kruger, D.J. (2005, October). *The Prevention Research Center Community Survey*. Invited talk for the Board of Directors of the Greater Flint Health Coalition, Flint, MI.
58. Kruger, D.J., & Fisher, M. (2005, May). *Male mating strategies and women's mate selection criteria: Insights from British Romantic literature*. Invited talk presented at the University of Michigan's Decision Consortium Conference.
59. Fisher, M., & Kruger, D.J. (2005, March). *Tom Hanks or Colin Farrell: The "Dad" Versus "Cad" Mating Strategy*. Invited talk presented at St. Mary's University, Halifax, NS, Canada.
60. Kruger, D.J. (2004, November). *Evolutionary insight on sex differences in mortality*. Invited talk presented for the Evolution and Behavior series, University of Michigan. Ann Arbor, MI.
61. Kruger, D.J., & Reischl, T. (2004, November). *Understanding the Relationship of Neighborhood Conditions and Perceptions to Mental Health*. Invited talk for the Mental Health Task Force of the Greater Flint Health Coalition, Flint, MI.
62. Kruger, D.J., Shirey, L.A., & Morrel-Samuels, S. (2004, August). *The PRC Speak to Your Health Community Survey*. Invited symposium for the annual conference of the Michigan Association for Local Public Health. Ann Arbor, MI.
63. Kruger, D.J. (2003, November). *Alternative male mating strategies exemplified in literary heroes*. Invited talk presented for Binghamton University's Evolutionary Studies Program. Vestal, NY.
64. Kruger, D.J. (2003, November). *Understanding sex differences in mortality rates with an integrative evolutionary perspective*. Invited talk presented for Binghamton University's Evolutionary Studies Program. Vestal, NY.
65. Kruger, D.J., & Nesse, R.M. (2003, May). *Human mortality patterns in an integrative life course perspective*. Invited talk for The Life Course: Evolutionary and Ontogenetic Dynamics (LIFE) A collaborative graduate study program between the Max Planck Institute for Human Development, Berlin, the Humboldt-University in Berlin, the Free University of Berlin, and the University of Michigan, Ann Arbor, USA. Life Academy held at the University of Michigan.
66. Strassman, B., & Kruger, D.J. (2003, May). *Evolution panel*. Invited symposium for The Life Course: Evolutionary and Ontogenetic Dynamics (LIFE) A collaborative graduate study program between the Max Planck Institute for Human Development, Berlin, the Humboldt-University in Berlin, the Free University of Berlin, and the University of Michigan, Ann Arbor, USA. Life Academy held at the University of Michigan.
67. Kruger, D.J. (2003, January). *Using specialized software to conduct systematic survey research over the Internet*. Invited talk, Institute for Social Research Information Technologies, University of Michigan.

68. Kruger, D.J., & Nesse, R.M. (2002, December). *Trends, composition, and causes of sexual disparities in mortality*. Invited talk, Social Environment and Health Program, University of Michigan.
69. Nesse, R. M. & Kruger, D.J. (2002, March). *Why males are the frail sex: Evolutionary perspectives on the sexual mortality ratio*. Invited talk, Social Environment and Health Program, University of Michigan.
70. Nesse, R. M. & Kruger, D.J. (2002, March). *Why males are the frail sex: Evolutionary perspectives on cohort and cultural variations in the sexual mortality ratio*. Invited talk, Population Studies Center, University of Michigan.

Symposia

1. Ledón, C., Kruger, D.J., Waller, A. (2014, July). *Encuesta Buenos Vecinos: A research partnership to promote Washtenaw County Latino/a health*. Imagining Latina/o Studies: Past, Present, and Future: An International Latina/o Studies Conference, Chicago, IL.
2. Kruger, D. J., & Wesselmann, E.D. (2014, May). *Advancing Evolutionary Psychology*. Symposium, Midwestern Psychological Association, Chicago, IL.
3. Kruger, D.J., Ledón, C., Waller, A., Llanes, M., & Isela Flores, G. (2014, May). (2014, May). *Community involvement promotes success in a Latino/a health survey project*. Symposium, Society for Community Research and Action at the Midwestern Psychological Association, Chicago, IL.
4. O'Brien, D., Kruger, D.J., Schroeder, K.B., MacDonald, I.F. (2014, April). *Using cities to study evolved human behavior: Illustrations and Insights from four study sites*. Symposium, North Eastern Evolutionary Psychology Society, New Paltz, NY.
5. Panderirada, J. N. S., Wesselmann, E.D., Kruger, D.J., & Bailey, J.M. (2013, May). *Evolutionary Approaches to Psychological Questions*. Symposium, Midwestern Psychological Association, Chicago, IL.
6. Kruger, D.J., Turner, T., De Loney, E.H., Campbell, B., Sparks, A., Dunn, D., Chisom, R., & Turbeville, A. R. (2010, November). *Undoing racism through a community-based African American infant mortality reduction program*. Symposium, American Public Health Association, Denver, CO.
7. Kruger, D.J., Turner, T., Lewis, Y., & Carty, D. (2008, March). *A community partnership designed to reduce disparities in infant mortality*. Symposium, Third Annual Health Disparities Conference, Columbia University, New York, NY.
8. Kruger, D.J., Turner, T., & Lewis, Y. (2007, November). *Using a community implemented activity to address racial disparities in infant mortality in Genesee County, Michigan*. Symposium, American Public Health Association, Washington, DC.
9. Kruger, D.J., Shirey, L.A., & Lewis, Y. (2007, October). *Democratizing data: Local dissemination strategies for a community-based health survey*. Symposium, Michigan's Premier Public Health Conference, Dearborn, MI.
10. Franks, M. & Kruger, D.J. (2007, October). *Documenting effectiveness in a successful infant mortality disparity reduction community initiative*. Symposium, Michigan's Premier Public Health Conference, Dearborn, MI.
11. Kruger, D.J., Delgado, L., Luna, R. D., Tamley, K., & Wilson, T. (2000, October). *Building Research Capacity to Enhance the Impact of Advocacy Organizations*. Symposium, Midwestern Eco-Community Conference, Hickory Corners, MI.

12. Fath, K., Gorman, G., Halvorson, J., Kruger, D.J., Roy, M., & Temple, G. (2000, March). *The Fourth Annual Graduate Student Colloquium: The Relationship Between Graduate Student's Teaching and Their Preparation as Scholars*. Loyola University Chicago.
13. Suarez-Balcazar, Y., London, L., Li, S., Hill, S., Jayraj, A., Kruger, D.J., Kinney, L., and Buhin, L. (1999, October). *Issues in building healthy and productive university-community partnerships across different settings*. Symposium, Midwestern Eco-Community Conference, Downers Grove, IL.
14. Newbrough, J., Suarez-Balcazar, Y., Jayaraj, A., & Kruger, D.J. (1999, July). *The Community Action-Research Centers Project*. Symposium, Society for Community Research and Action Biennial Conference, New Haven, CT.
15. Suarez-Balcazar, Y., Kruger, D.J., & Jayaraj, A. (1999, May). *Models of community- university collaborations for participatory evaluation*. Symposium, Midwestern Psychological Association, Chicago, IL.

Conference Oral Presentations

1. Kruger, D.J., Hollis, M.E., McGarrell, E.F., Reischl, T.M., & Zimmerman, M.A. (2014, November). *The social ecology of trust in police*. Oral presentation, American Society of Criminology, San Francisco, CA.
2. Kruger, D.J., & Fisher, M.L. (2014, August). *Life history variation in reproductive strategies is intuitive across cultures*. Oral presentation, International Society for Human Ethology, Belem, Brazil.
3. Kruger, D.J., Nedelec, J.L., Reischl, T.M., & Zimmerman, M.A. (2014, July). *Life history predicts perceptions of procedural justice and police legitimacy*. Oral presentation, Human Behavior and Evolution Society, Natal, Brazil.
4. Kruger, D.J. (2014, May). *Cross-cultural validation of the comprehension of life history dimensions*. Oral presentation, Midwestern Psychological Association, Chicago, IL.
5. Kruger, D. J., Fisher, M. L., Wright, P. (2014, May). *Patriarchy, male competition, and excess male mortality*. Oral presentation, Midwestern Psychological Association, Chicago, IL.
6. Kruger, D.J., Sloan, J.L., & Tifferet, S. (2014, May). *Who is man's best friend for attracting women?* Oral presentation, Midwestern Psychological Association, Chicago, IL.
7. Riaño-Mojica, E., Ledón, C., Waller, A., Kruger, D.J., Sheldon, S.P., Llanes, M., & Isela Flores, G. (2014, April). *Youth leadership in the Encuesta Buenos Vecinos project*. Oral presentation, La Academia del Pueblo Latino/a and Latin American Research Conference, Wayne State University, Detroit, MI.
8. Rheingans, C., Ledón, C., Waller, A., & Kruger, D.J. (2014, March). *Encuesta Buenos Vecinos: Building capacity to promote Washtenaw County Latino/a health*. Oral presentation, Julian Samora Research Institute, East Lansing, MI.
9. Wilke, A.W., Sherman, A., Curdt, B., Mondal, S., Fitzgerald, C.J., & Kruger, D.J. (2013, November). *An evolutionary domain-specific risk scale*. Oral presentation, Psychonomic Society, Toronto, ON.
10. Wade, S., Kruger, D.J., & Ledón, C. (2013, October). *From Public Health to Planning: Experiences engaging hard-to-reach populations in Washtenaw County*. Oral presentation, Michigan Association of Planning, Kalamazoo, MI.
11. Kruger, D.J. Aiyer, S.M., & Zimmerman, M.A. (2013, July). *Adult male scarcity predicts adolescent violence at the neighborhood level*. Oral presentation, Human Behavior and Evolution Society, Miami, FL.

12. Fernandes, H.B.F., Woodley, M. A.; Hutz, C. S.; Kruger, D. J. (2013, July). *Strategic differentiation-integration effort in the context of sexual strategies: A cross-national perspective*. Oral presentation, Human Behavior and Evolution Society, Miami, FL.
13. Manche, C., Suzuki, R. & Kruger, D.J. (2013, July). *Process travel time and distance to primary health care providers in Flint, Michigan: A multi-modal network based approach*. Oral presentation, XVth International Symposium in Medical/Health Geography, East Lansing, MI.
14. Kruger, D.J., Hughes, S.M., Fitzgerald, C.J., & Jeffery, A.J. (2013, June). *Life history variation influences the reported ideal structure of sexual intercourse*. Oral presentation, North Eastern Evolutionary Psychology Society, Annville, PA.
15. Fitzgerald, C.J., Kruger, D.J., Loeffler, C., Shackelford, T.K., & Weekes-Shackelford, V. (2013, June). *Short-term sex ratio manipulations affect men's self-reported and perceived life history strategies*. Oral presentation, North Eastern Evolutionary Psychology Society, Annville, PA.
16. Kruger, D.J. (2013, May). *Literary Darwinism: Building interdisciplinary collaboration to advance understanding*. Oral presentation, Midwestern Psychological Association, Chicago, IL.
17. Kruger, D.J., Fisher, M.L., Fitzgerald, C.J., Garcia, J.R., Geher, G., & Guitar, E. (2013, May). *Elaborating the understanding of perceptions of sexual and emotional infidelity*. Oral presentation, Midwestern Psychological Association, Chicago, IL.
18. Kruger, D.J., Fisher, M.L., Halloran, K.B., Keikover, Z.L., & Fitzgerald, C.J. (2013, May). *Attachment style and personality predicts homesickness in college students*. Oral presentation, Midwestern Psychological Association, Chicago, IL.
19. Kruger, D.J., Hughes, S.M., & Jeffery, A.J. (2013, May). *Reproductive strategies influence the perceived importance of affection surrounding intercourse*. Oral presentation, Midwestern Psychological Association, Chicago, IL.
20. Kruger, D.J., Aiyer, S.M., Caldwell, C.H., Klein, H.M., & Zimmerman, M.A. (2013, May). *Scarcity of adult men predicts higher youth assault rates*. Oral presentation, Midwestern Psychological Association, Chicago, IL.
21. Kruger, D.J., Reischl, T., Franzen, S., Miller, A., Stoddard, S., & Zimmerman, M. (2012, October). *Importance of present time orientation in predicting early adolescent violence*. Oral presentation, American Public Health Association, San Francisco, CA.
22. Kruger, D.J., & Cupal, S. (2012, October). *Speak to Your Health! Community Survey: A tool for community capacity building and policy for health promotion*. Oral presentation, American Public Health Association, San Francisco, CA.
23. Kruger, D.J. (2012, August). *The health impact of male scarcity in modern human populations*. Oral presentation, International Society for Human Ethology, Vienna, Austria.
24. Tifferet, S., Bar-Lev, O., Zeler, S. & Kruger, D.J. (2012, August). *Cad's best friend? Dog ownership increases long-term relationship attractiveness and attenuates short-term mating perceptions*. Oral presentation, International Society for Human Ethology, Vienna, Austria.

25. Fernandes, H.B.F., Kruger, D.J., Natividade, J.C., Hutz, C.S., & Kennair, L.E.O. (2012, June). Postcoital negative emotions: mental disorder or adaptive mechanism?. Oral presentation, Human Behavior and Evolution Society, Albuquerque, NM.

137. Kruger, D.J. (1997, October). *A community invests in its future: The EDGE/UP School-to-Work Initiative*. Oral presentation, Midwestern Eco-Community Conference, Dowagiac, MI.

Conference Poster Presentations

1. Lopez, W., LeBron, A.M.W., Kruger, D.J., Delva, J., Ledón, C., Waller, A., & Llanes, M. (2014, November). *Social patterning of health and service utilization among Latinos: Findings from the Encuesta Buenos Vecinos*. Poster, American Public Health Association, New Orleans, LA.
2. Heinze, J., Kruger, D.J., Reischl, T.M., Cupal, S., & Zimmerman, M.A. (2014, November). *Disease, social support and perceived health across the lifespan in a community representative sample*. Poster, American Public Health Association, New Orleans, LA.
3. Sloan Kruger, J. & Kruger, D.J., (2014, August). *An ethological assessment of allegiance to rival universities in an intermediate city*. Poster, International Society for Human Ethology, Belem, Brazil.
4. Fernandes, H. B. F., Kennair, L. E. O., Hutz, C. S., Natividade, J. C., & Kruger, D. J. (2014, July). *Evidence of validity for a three-factor scale of Negative Post-coital Emotions*. Poster, International Test Commission, San Sebastian, Spain.
5. Kruger, D.J., Aiyer, S.M., Caldwell, C.H., Reischl, T.M., & Zimmerman, M.A. (2014, May). *Neighborhood scarcity of adult men predicts adolescent violence*. Poster, Association for Psychological Science, San Francisco, CA.
6. Kruger, D.J., Waller, A., Ledón, C., & Llanes, M. (2014, May). *Barriers to dental care predict greater Latino/a permanent tooth loss*. Poster, Association for Psychological Science, San Francisco, CA.
7. Kruger, D.J., Sloan, J.L., & Tifferet, S. (2014, May). *Man's best friend? Friendly and aggressive dogs have different mate attraction influences*. Poster, Association for Psychological Science, San Francisco, CA.
8. Kruger, D.J., Crichlow, V.J., Hollis, M.E., McGarrell, E.F., Jefferson, B.M., Reischl, T.M., & Zimmerman, M.A. (2014, May). *Violent crime density, trust in police, and intentions to contact police*. Poster, Association for Psychological Science, San Francisco, CA.
9. Kruger, D.J., Fink, T.R., Gage, D.R., Peters, M.A., Richardson, R.L., Tezgidem, M.M., & Unruh, J.M. (2014, May). *Assessing colleges' geographic territories through the commercial availability of apparel*. Poster, Association for Psychological Science, San Francisco, CA.

10. Sloan, J.L., Kodjebacheva, G., Kunkel, L., Smith, K.D., & Kruger, D.J. (2014, May). *Identifying barriers to children's dental care with a community-wide health survey*. Poster, Association for Psychological Science, San Francisco, CA.
11. Sloan, J.L., & Kruger, D.J. (2014, May). *Get your game on: Displays of school loyalty during college football season*. Poster, Association for Psychological Science, San Francisco, CA.
12. Fitzgerald, C.J., Kruger, D.J., Shackelford, T.K., Weekes-Shackelford, V. (2014, May). *Manipulating the operational sex ratio influences men's life history strategies*. Poster, Association for Psychological Science, San Francisco, CA.
13. Richardson, G.B., Hardesty, P.H., Nedelec, J.L., Kruger, D.J., Brubaker, M.D. (2014, May). *From childhood environment to dimensions of life history strategy to substance use/abuse*. Poster, Association for Psychological Science, San Francisco, CA.
14. Kruger, D.J., Ledón, C., Waller, A., Sheldon, S.P., Llanes, M., Isela Flores, G., Davila, J., Brace, D., Butler, K., & Siddiqui, A. (2014, May). *Encuesta Buenos Vecinos: Building capacity to promote Latino/a health*. Poster, Society for Community Research and Action at the Midwestern Psychological Association, Chicago, IL.
15. Sloan, J.L., Kruger, D.J., Suzuki, R. (2014, May). *Participation in a student-run free health clinic enhances educational experiences*. Poster, Society for Community Research and Action at the Midwestern Psychological Association, Chicago, IL.
16. Tezgiden, M., Peters, M., & Kruger, D.J. (2014, April). Assessing college's geographic territories through the commercial availability of apparel. Poster, University of Michigan's Undergraduate Research Opportunities Program's Spring Research Symposium.
17. Gage, D., Schroeder, K.M., & Kruger, D.J. (2014, April). An observational study on expressions of sexuality: The influence of the male/female ratio. Poster, University of Michigan's Undergraduate Research Opportunities Program's Spring Research Symposium.
18. Mostovoi, N. & Kruger, D.J. (2014, April). Cads versus dads: The predictability of reproductive strategies based on character descriptions. Poster, University of Michigan's Undergraduate Research Opportunities Program's Spring Research Symposium.
19. Butler, K. & Kruger, D.J. (2014, April). Bringing community research into the 21st Century - Multimedia methods. Poster, University of Michigan's Undergraduate Research Opportunities Program's Spring Research Symposium.
20. Zhu, S. & Kruger, D.J. (2014, April). Football ethology. Poster, University of Michigan's Undergraduate Research Opportunities Program's Spring Research Symposium.
21. Unruh, J., Richardson, R., & Kruger, D.J. (2014, April). Evolutionary psychology and human behavior: Cheaters on cheating. Poster, University of Michigan's Undergraduate Research Opportunities Program's Spring Research Symposium.
22. Epshteyn, V., Fink, T., & Kruger, D.J. (2014, April). Undergraduate laptop use in classrooms. Poster, University of Michigan's Undergraduate Research Opportunities Program's Spring Research Symposium.

222. Garrard, W., Suarez-Balcazar, Y., Kruger, D.J., Mahler, B., Muller, T. & Raza, A. (1998, May). *An evaluation of a school-to-work initiative: The students' perspective*. Poster, Midwestern Psychological Association, Chicago, IL.

Organizational Leadership and Academic Service

North Eastern Evolutionary Psychology Society

- President, 2013-2016
- Vice-President, 2010-2013
- Program Chair, 2009 Meeting
- Program Committee, 2008-2014 Meetings
- Communications Officer, 2007-2010

International Society for Human Ethology

- Conference Organizer, 2013 Summer Institute on Human Ethology (\$25K budget)
- Program Committee, 2012 and 2014 Biennial Conferences
- Program Committee, 2009 and 2011 Summer Institutes on Human Ethology

Human Behavior and Evolution Society

- Early Career Award Committee, 2012

Midwestern Eco-Community Conference

Conference Coordinator and Treasurer (1998), Generated and managed a budget of \$11,500.

External Reviewer for Faedda, S. (2005). *Helping Others: An Evolutionary Perspective*. PhD Thesis, Department of Psychology, University of Western Sydney, NSW, Australia

Graduate Student Coalition, Loyola. Department Representative (1999-2000).

Council of Graduate School Programs, Loyola. "The body officially responsible for discussing and formulating the aims, purposes, and quality standards of graduate programs under the auspices of the Graduate School." Student representative with full membership (1998-1999).

Graduate Student Advisory Committee, Loyola. Student advisory board to the administration of the Graduate School (1997-1999).

Inter Cooperative Council (ICC) at the University of Michigan, a 550 member cooperative student housing system with 19 houses, office building, education center, and \$1,600,000+ annual organization level budget.

- President, Georgia O’Keeffe Cooperative (2002-03).
- President, M.C. Escher Cooperative (2002).
- ICC Board of Directors (2002-03).
- Co-Chair, ICC Foods Committee. (2002-03). Oversight of nutrition, sanitation, and other food issues.
- Webmaster and Content Manager, ICC Web Team. (2003-05).
- Treasurer, Coretta Scott King Cooperative Apartments (2004-2006).

Faculty Sponsor, Loyola University Chicago Cycling Team. Supervised and participated in races, practices, and other team events (1999-2000).

Editorial Boards

Evolutionary Behavioral Sciences

-Guest editor of special issue on Applied Evolutionary Psychology, September 2012
