Susan Marie Jekielek

EDUCATION:

Ph.D., Sociology. The Ohio State University, Columbus, OH, 2003.
M.A., Sociology. The Ohio State University, Columbus, OH.
B.A., Sociology and Women's Studies. University of Michigan, Ann Arbor, MI.

EMPLOYMENT:

The University of Michigan **02/2013 to current**
Institute for Social Research

Ann Arbor, MI
Director, Education and Early Childhood Data Archive

Select Activities:

- Principal Investigator. Subcontract to Cooperative Agreement Grant, U.S. Department of Health and Human Services. "Early Care and Education Research Connections." 2013-2018. \$3,500,000.
- Co-Principal Investigator. Grant, Bill and Melinda Gates Foundation. "Supplement to the Measures of Effective Teaching Longitudinal Database." 2013-2014. \$125,000.
- Principal Investigator. Grant, NCAA. "Data Archival and Processing" for dissemination of NCAA research and administrative data. 2013-2014. \$60,000.

United States Department of Health and Human Services, **11/2006 to 02/2013**
Administration for Children and Families (ACF),
Office of Planning, Research, and Evaluation

Washington, D.C.

Social Science Research Analyst

ACF administers social service programs serving disadvantaged and low-income families. Select activities:

- Develop funding opportunities to improve the Federal child care subsidy program and help achieve its goals of supporting family economic self-sufficiency and quality child care settings;
- Monitor over \$20 million in grants and contracts to higher education institutions, non-profits, and state agencies nationwide;
- Preside over ten competitive grant and contract reviews and recommend funding to the Assistant Secretary of ACF for highly successful proposals;
- Co-organize the Annual Child Care Policy Research Consortium, bringing together policy-makers, non-profit directors, and researchers to share the latest developments in the field and suggest strategies for improving the lives of low-income children and families;
- Advise the Federal Head Start and child care subsidy programs on setting performance goals and reporting numerous accomplishments such as maximizing access to services during Fiscal Year 2008
- Represent ACF in Federal intra-agency working groups to collaborate on new initiatives and strengthen social services programs government-wide.
- Participate in Federal working groups and make recommendations on early childhood administrative data elements; indicators of child and family well-being; administrative data standards; data archival and security; and
- Participate on the design team of The National Study of Early Care and Education, the first national study since 1990 that will provide estimates of the supply and demand of early childhood care and education, as well as after-school care.

Child Trends, Inc. **09/2000-10/2006**

Washington, D.C.

Research Associate

Senior Research Analyst

06/2003-10/2006

09/2000-06/2003

Child Trends is a non-profit non-partisan policy research organization. Select activities:

- Co-authored papers and research briefs that formed the basis for an ambitious U.S. Health and Human Services family support initiative;
- Lead and collaborated on reports to government and foundations (see publications) that describe child and family well-being in the United States and evaluate effective programs;
- Co-organized annual workshops for the Annie E. Casey Foundation Kids Count grantees from non-profits and state agencies, resulting in data training for grantees and opportunities to share information across organizations;
- Project management, training research assistants, proposal writing, budget monitoring;
- Topical areas include low-income families, welfare reform, work and family, family and child well-being, and adolescent health.

The Ohio State University

04/2000-09/2000

Columbus, OH

Competitive Presidential Dissertation Fellowship, 2000

Center for Human Resource Research, The Ohio State University

04/1994-04/2000

Columbus, OH

Graduate Research Assistant

- Research on children's depressive and behavioral problems from middle childhood to adolescence;
- Created variables; managed complex data files; conducted multivariate, longitudinal, missing data, and psychometric analyses of The National Longitudinal Surveys of Youth 1979; summarized findings, and wrote papers for meetings/publication.

Institute for Social Research, University of Michigan

Summer 1991

Ann Arbor, MI.

Survey interviewer

The Detroit Area Study, Principal Investigator, Howard Schuman, Director, Charlotte Steeh. This was a hired position in follow-up to an intensive graduate practicum in survey research which required participation in launching a survey of the Detroit metropolitan area.

GRADUATE COURSEWORK:

Substantive coursework. Work, family, demography, child development, health, social stratification, research methods.

Research methods. Demographic techniques, survey research methods (questionnaire design, testing questionnaires, coding and analyzing data), qualitative methods, multivariate analysis, structural equation modeling, longitudinal analysis, growth curve modeling, psychometrics
